Dear Ing. Marcovici:

We are pleased to have been engaged to represent Emetel. This letter will confirm the earlier agreement on the terms of such engagement. Our initial assignment is to represent Emetel's interests before the U.S. Federal Communications Commission involving telephone accounting rates for switched voice traffic between the U.S. and Ecuador.

Our legal fees will be based on the amount of time that we spend on a project, applied to the billing rates charged by each professional who works on the matter. In addition to legal fees, we also charge for various costs and disbursements. For example, we charge for document production, long distance telephone and facsimile, computerized legal research, express courier, and travel. Our statements for services are payable in full on receipt.

I look forward to working with Emetel and its representatives.

Sincerely,

Robert E. Conn
